

**13th International Conference
On
Soft Computing for
Problem Solving –
AI for Vikasit Bharat**
(SocProS – 2025)
February 14 – 16, 2025

Organized by

**Department of Applied
Mathematics and scientific
Computing (DAMSC)**

**SAHARANPUR CAMPUS
of
INDIAN INSTITUTE OF
TECHNOLOGY**

ROORKEE, INDIA

ABOUT IIT ROORKEE

Indian Institute of Technology - Roorkee is among the foremost of institutes of national importance in higher technological education and in engineering, basic and applied research. It has a history of more than 175 years. Since its establishment, the Institute has played a vital role in providing the technical manpower and know-how to the country and in pursuit of research. The Institute ranks amongst the best technological institutions in the world and has contributed to all sectors of technological development. It has also been considered a trend-setter in the area of education and research in the field of science, technology, and engineering.

ABOUT DAMSC

The Department of Applied Mathematics and Scientific Computing (D-AMSC), came into existence in March 2022. The objective of the Department is to train the students in efficient computational techniques, which are often desirable and are many times necessary for solving the complex real-world problems where analytical approaches are either difficult or impossible to use. The area of specialization of the faculty at D-AMSC include numerical differential equations, numerical optimization, operations research, data science and machine learning and their applications to diverse real life problems occurring in different domains. The department presently offers PhD and MTech degree in Applied Mathematics and Scientific Computing.

About the Theme of the Conference

The term Soft Computing represents a collection or set of computational techniques in machine learning, computer science and some engineering

disciplines, which investigate, simulate, and analyze the complex issues and phenomena. SocProS25 aims to bring together researchers, engineers and practitioners to present the latest achievements and innovations in the interdisciplinary areas of soft computing, to discuss thought-provoking developments and challenges, to consider potential future directions. One of the objectives of the conference is to encourage participation by young researchers; to this end student papers will be given special consideration.

About SocProS

SocProS is an international series of conference organized every year by the faculty members of IIT Roorkee and Liverpool Hope University, UK since 2011. The first conference of this series was held in 2011 at IIT Roorkee. SocProS conferences have been held in India and abroad with the last one being held at IIT Roorkee in 2023.

CALL FOR PAPERS

The 13th International Conference on Soft Computing for Problem Solving is an interdisciplinary conference that aims to bring together researchers working in different areas of Soft Computing, Machine Learning and Artificial Intelligence.

Contributions are welcomed on all areas related to soft computing techniques like evolutionary and nature inspired algorithms, swarm intelligence algorithms, fuzzy systems in terms of theoretical development and applications in different domains.

Contributions are particularly solicited on this year's theme, which include applications of soft-computing, AI and ML on the areas of: Healthcare, Agriculture, Defense, Supply Chain Management

and Logistics, Smart Cities and other applications relevant to the theme of the conference.

All papers will be reviewed in a double-blind process and accepted papers will be presented at the conference.

PROCEEDINGS

To be published in Springer (pending approval)

IMPORTANT DATES

Deadline for paper submission	October 30, 2024
Decision of Acceptance	November 20, 2024
Camera ready papers & registration	November 30, 2024

REGISTRATION FEE

Registration fee includes conference proceedings published by Springer, conference bag, breakfast and lunch on all three days and gala dinner. Limited accommodation will be arranged on first-cum-first serve basis. One registration will cover only one paper of 10 pages. Additional papers by the same author(s) will be charged separately.

Category	Indian Author	Foreign Author
Full time student author	Rs 4500	USD 300
Regular author	Rs 7000	USD 500
Extra paper charges	Rs 4500/paper	USD 200/paper

Extra page charges	Rs 2000/page	USD 100/page
Only attending	Rs.2000	USD 100

REGISTRATION – To be done online

SUBMISSION OF PAPERS

Please submit your original research paper using CMT

INTERNATIONAL ADVISORY COMMITTEE

- A. Engelbrecht, South Africa
- A. K. Verma, Norway
- Vaclav Snasel, Czech Republic
- Kalyanmoy Deb, USA
- M.M. Ali, Univ.of Johannesburg, South Africa
- Maurice Clerc, France
- Patrick Siarry, University of Paris, France
- Richard A. Formato, USA
- Rosini Abdullah, University Sains Malaysia, Malaysia
- Ruhul Sarker, Univ. of NSW, Australia
- Steven Lawrence Fernandes, USA
- Sugam Sharma, USA
- Himanshu Shrivastava, Norway
- Xiao-Gao Netherlands

Organizing Committee

Patron	Prof. KK Pant, Director, IIT Roorkee
Conference Chair	Prof. Millie Pant Head, Department of Applied Mathematics and Scientific Computing
Honorary Chair	Dr. Chander Mohan Retd. Professor, IIT Roorkee
Conveners	Prof. Kusum Deep, IIT Roorkee Prof Atulya Nagar, Liverpool Hope, UK
Organizing Secretaries	Prof. Rajan Arora, IIT Roorkee Prof. Jaydev, IIT Roorkee
Publicity Chairs	Prof. Sourav Sasmal, IIT Roorkee Prof. Pankaj Gautam, IIT Roorkee
Website Chairs	Vibhu, IIT Roorkee Kaushik Chattopadhyay, IIT Roorkee Kshitij Jain, IIT Roorkee Paluck Deep, Freelancer, Australia
Technical Sessions Chair	Prof. Sourav Sasmal, IIT Roorkee Prof. Pankaj Gautam, IIT Roorkee
Hospitality Chair	Dr. Anurag Kushreshtra, IIT Roorkee
Reception & Registration Chair	Mr. Atul Kumar, IIT Roorkee Mr. Sumit Kumar, IIT Roorkee Mr. Abhishek Kr. Gupta, IIT Roorkee
Cultural Program Chairs	Dr. Anurag Kulshreshtra IIT Roorkee

NATIONAL ADVISORY COMMITTEE

- A. Goswami, Dept. of Maths, IIT Kharagpur
- A. K. Ojha, IIT Bhubaneshwar
- Amarjeet Singh, Government Polytechnic Baheri Bareilly
- Amreek Singh, DRDO, Chandigarh
- Anurag Kulshreshta, Saharanpur Campus
- Aruna Tiwari, IIT Indore
- Ashif Assad, Islamic University of Science & Technology, Jammu & Kashmir, Awantipora
- Ashok Kumar Singh, DST, New Delhi
- B.K. Das, Delhi University, India
- Debasish Ghose, IISc, Bangalore
- Deepak Khare, DRDO Dehradun
- Deepti Rani, NIH, Roorkee
- Deepti Singh, GBU, NOIDA
- Dharmdutt, Saharanpur Campus, IIT Roorkee
- Ghanshyam Singh Thakur, MANET Bhopal
- Himani Gupta, IIFT, Delhi
- Himanshu Singh DRDO, Dehradun
- Hira Zaheer, IILM Noida
- Irshad Ansari, IIITDM Jabalpur
- Kamanashish Bhattacharjee, VIT, Vellore
- Maiyya Din DRDO Delhi
- MK Barua, IITRAM
- Mukesh Kumar, MNIT, Allahabad
- Natthan Singh, IET, Lucknow

- P. C. Jha, Delhi University, Delhi
- Pinkey Chauhan, IIIT, Noida
- PK Kapur, Amity University, Delhi
- Pravesh Kumar, India
- Prince, Assistant Professor, Mathematics, School of Basic & Applied Sciences, IILM University, Greater Noida
- Rama Sushil, Dehradun
- SC Sharma, IIT Roorkee
- Shaill Dinkar, G B Pant Institute of Engineering & Technology, Pauri Garhwal
- Shitu Singh, Department of Applied Sciences United University, Prayagraj
- Shivi Agarwal, BITS Pilani
- Shubham Gupta, MNIT, Allahabad
- Sunita Singh, DRDO, Dehradun
- Vanita Garg, Galgotias University, New Delhi
