Call for Extended Abstracts – SocProS 2025

SocProS 2025 is particularly focused on fostering interdisciplinary collaboration and highlighting the transformative potential of soft computing techniques in solving real-world problems. The conference will be hosted at the **Indian Institute of Technology (IIT) Roorkee**, a premier academic institution renowned for its cutting-edge research and academic excellence. Participants can look forward to a rich program that encourages intellectual engagement and provides opportunities to explore innovative approaches to tackle complex challenges.

In light of this, we are pleased to announce the **Call for Submissions of Extended Abstracts**. Researchers, students, and professionals are invited to showcase innovative ideas, advancements, and applications in soft computing and related fields. The conference particularly encourages submissions from young researchers and students. This year's theme emphasizes applications of Soft Computing to solve complex problems and drive advancement in **healthcare, agriculture, defence, logistics**, **smart cities** and **many more**, offering a platform to present cutting-edge work in these critical areas.
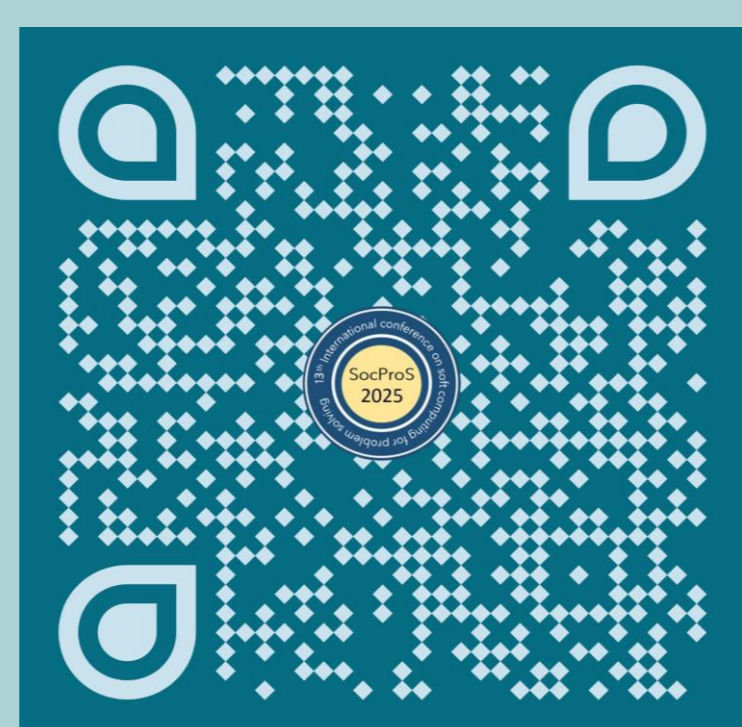

Submission Guidelines

- **Length:** Maximum 2000 words (2 pages) in the prescribed format.
- **Content:** The extended abstract should clearly and concisely outline the **main features, results, and conclusions** of your work.
- **Presentation:** All accepted extended abstracts will be presented as **posters** during the conference.

Key Highlights

- **Publication:** The short abstracts of each accepted submission will be published in a **Book of Abstract.**
- **Certification:** All participants will receive a **Certificate of Presentation** upon completion of their poster presentation.
- **Awards:** Attractive **cash prizes** for **3 Best Posters**.
- **Scientific Review:** All submissions will be reviewed by the **Scientific Committee**, and authors will be notified accordingly.

Registration Details

- **Registration Fee:** ₹2000/-
  The fee includes:
  - Conference Kit
  - Submission in Book of Abstracts
  - Poster Printing

Submission/Registeration Link

Important Dates

- **Submission Deadline:** 10/01/2025
- **Notification of Acceptance:** 15/01/2025
- **Registration Deadline: 25/01/2025**
- **Conference Dates:** 24-26 February

Submission Process

Authors are invited to submit extended abstracts for SocProS 2025, adhering to the prescribed Manuscript Template. Submissions must be made exclusively through the conference portal, accessible via the provided QR code and link. This prestigious platform offers researchers, graduate students, and professionals a unique opportunity to present their innovative ideas, methodologies, and findings to a global audience. SocProS 2025 warmly encourages participation from young researchers, fostering collaboration, knowledge exchange, and innovation in the ever-evolving field of soft computing, AI, and ML.
